National XC Relays,

Mansfield, 1 Nov 2025

A great day at Mansfield. Our best ever turn out for this event. 46 Hunts runners and we had at least one full scoring team in each age/gender race. We also had two teams finish in our highest ever position. Our U13 boys, Jake, Alasdair, and Moses, finished 17th which beat the previous best, 28th three years ago.

The U20 Men's team, Tom, Bill, and Noah, came 23rd. The previous best was 34th last year. The U15 girls and Senior Women missed their best finishes by just one place and the U17 Women finished in their best placing since 2008! Last year Iris Purser (U13G) and Tom Waterworth (U20M) beat the club previous bests for their age/gender at this event. Well this year they both made massive improvements to finish much higher. Iris was the 19th fastest U13 girl overall (212 ran) when the previous best was 62nd. Tom was 34th fastest U20 man overall (170 ran). Previous best was 75th. Alasdair Reddish had a great run and was 27th fastest U13 boy on the day. Well done to all. A great day for the club.

SEAA Inter Counties XC, Horsenden Hill, 29 Nov 2025

11 Hunts juniors represented Cambridgeshire AA at this event. Athletes and supporters braved wet, muddy conditions and there were plenty of fallers on the slippery, undulating course. Entry was by selection and the competition included many of the best junior runners from around the south of England. Two of our juniors finished in the top 10 of their race. Iris Purser was 5th U13G and Alastair Reddish 7th U13B.

Iris, Alastair, and Izzy were first home for the county in their races. Well done to all on selection and your runs.
